All of this is  
happening  
before we  
entered the  
park so it  
shouldn't  
count ...

After this,  
if I don't find,  
there should be no  
more problems!

This is our  
first date  
I must  
look  
happy!

Going  
back to  
what  
Sakura  
said

First dates at  
a theme park  
is the No. 1  
reason for  
break ups!

Ah?

Oh, let's enter again.

Haven't even gone to yet and my leg is already numb and hurting

So not used to wearing heels

What to do

I'm such a idiot

Sakura has the same problem with books

It's already this late, can't waste any more time

If that's  
the case,  
then all  
day today

What's  
wrong,  
don't  
tell  
me

you  
really  
can't  
walk  
on  
hands

you're just  
going to  
have to  
hold onto  
my hand and  
not let go!

Ah

I definitely can't let something  
like my first meeting with  
you go without remembering it

WAIT TIME

FROM THIS  
POINT

MIN.

Not  
even if  
my shoes  
and feet  
kill me!

billboard

But  
honestly,  
I can't  
see what's  
so great  
about this  
place!

Oh it's  
alright,  
I brought  
some fun  
stuff to  
kill time

Oh,  
but  
it seems  
like  
that rule

Let's  
just  
forget  
it and  
leave  
this  
one

is the  
main  
attraction  
of this  
theme  
park

It's  
hard  
to  
choose?

So I  
have  
these  
two  
books

ARE  
YOU'RE  
RIGHT?

The  
horribly  
serious

an

But I'm not good at playing these kind of games

I think Athena will like this game

Like I said, you'd like it

Didn't know there were these types of games

This is pretty fun

everything

BILWARS

Will

for a  
second

Don't make any more of these schedules or plans

listen carefully Hibino

Well, it's because I'm not all that fond of amusement parks

writing of all the best attractions here so I wrote them down

But I found all this information online about the theme park

I said so because

Kyosko-san

B.B. that the one who used to come here was

I just wanted to see Hibino's happy and smiling face

So no matter how much better you make a situation, sometimes pain

if it makes you unhappy

I won't be happy now well I find it interesting

That's why if your feet hurt, just tell me directly

I'm sorry

if that's the case

before your injuries become serious

maybe that should help with the pain

# 今日、恋をはじめます

It's just  
like a  
prince  
from the  
story books.

To me,  
Kiyotaka  
is...

These  
slippers  
right  
now.

As for me,  
I'm definitely  
not a prince  
or any of  
the other  
characters  
from the stories.

...are my  
personal  
"glass slippers"  
from the  
Cinderella  
fairytale.

...why  
are you  
crying  
now?

...because

I can't  
read it.

Today  
...  
today  
as well

it felt  
like I'm  
always  
the one  
that needs  
saving

I  
can't  
do  
anything  
for  
Kiyoko-kun

That's  
not  
true

So if I'm  
begging  
you,  
just tell  
me what  
you want

Yes  
it is  
true

 that can  
 cause  
 dizziness

I have

Saying I  
 can request  
 anything  
 was a total  
 lie

...  
 also  
 thought  
 that that  
 time

we could  
 actually  
 follow  
 the  
 schedule  
 that  
 Hibino  
 made

She was  
still looking  
like a country

one month  
ago.

Even though  
no one believed  
the rumor,  
how come  
my feelings  
are hurt  
just a  
little bit?

In the end,  
the rumor  
was nothing  
but petty  
gossip.

That's

Last time at the amusement park at the farthest school, that "thing" we did

You are going to do that to me

He's talking about

that passionate "thing"

Then ... so to keep it all a secret

even about right now

don't say anything when we are on school property

I got it already

*But if  
you don't  
want to  
do this*

*If  
that's  
the  
case*

*all you  
have to do

it*

So  
sneaky

there's  
no  
way  
I can  
do  
that

because

Kyosuke's

Good

Kyosuke  
could have  
had any

chose  
her

Why

Use  
money?  
That's  
low!

Did  
you  
use  
money  
to  
buy  
him?!

How  
did  
you  
track  
Kyouma  
down?

You  
found  
his  
weak  
ness  
and  
blackmailed

right?

You're

Did

You

Hibino-san  
had some

Arisa  
there's

*My

*Who  
helped  
me  
clean  
it  
...?!*

*The person  
who told me  
*Hibino* might  
be in  
danger  
was  
also  
*Miho**

*since you  
already have  
little to no  
friends*

*You  
need to  
work  
extra  
hard  
too*

*But  
*Miho*  
most  
likely  
won't  
want  
to be  
friends  
with  
me  
ever  
again*

*Wouldn't  
it be better  
to become  
friends  
again

*You'll

I must use this chance well and then say sorry to Miho!

Perfect that there's a marathon in PE next week!

Miho

I want you and me to join the PE marathon next week.

If I have better-than, then I want to know what you're really thinking. That's the only condition. I'd want for your reply.

Yuki

That's why I want to have the most positive attitude, going into this battle!

# 今日、恋をはじめます

Thing is, this race is really important to me

If I don't catch up now, I'll definitely lose the race...

I must complete it.

There are guys too...

Can't believe this is happening

I've heard that the guy has a different taste in women but this is just something else...

Hey, is this the girl that this Kyosha guy has got the hots for?

But  
maybe

there's something  
special about  
her somewhere  
?

Er

What  
you  
guys  
just  
said

what the  
hell was  
that suppose  
to mean  
?!

She was  
born to  
the wrong  
era.

...  
virgin  
?

*We'd  
better get  
back to  
the race  
!*

*Follow the  
plan and  
we'll just  
leave her  
to you guys  
to deal with*

*Alright,  
let's  
just get  
to the  
point*

*You'll  
understand  
soon enough*

*Wait,  
wait  
for  
me*

*The  
promise  
I made  
with Miho*  
...  
!

*I  
need  
to get  
back  
too*

*Are you  
ok with  
that  
? !*

*If you do  
that, Kyouta  
will just hate  
you again  
... ?!*

32-33  
Chapter 10

*It  
doesn't  
really  
matter  
now  
does it  
?*

*And that's  
all thanks  
to that big  
mouth of  
yours telling  
Kyouta  
everything  
last time  
!!*

*This  
might  
teach  
you a  
lesson  
you  
won't  
forget*

*that's  
why*

So  
now

in  
here  
I'll

*"I'm  
no  
good  
for  
you  
now"*

*And  
maybe  
you'll later  
tell  
Kyouta*

*Alright  
let's  
take  
some  
pictures  
now*

*Why me,  
here and  
now ...*
